Citizen’s Comments.

Nancy Porter, representing the volunteers for the Baldwinsville Visitor Center, located on the Southwest Shore Trail, stated that the volunteers of the Visitor Center wanted to thank the Village Board for their help and support. She noted they had approximately 730 visitors to the center and also noted some of the locations they came from. She commented that some of the visitors would like to have power, water, ice machine and a map of walking trails in the area. They thought the Village looked wonderful, had greatly improved, was friendly and had great bathrooms with showers. She asked if the Village could remove the visitor center direction signs as people are going down to the center and they are closed for the season and will not reopen until May or June 2006.
