

Village of Baldwinsville  
Community Development Projects  
Consolidated Five-Year Plan  
Proposed – 2019

<u>PROJECT</u>	<u>Year of Application</u>
<i>Renovations to Canton Woods Senior Center.</i> Replacement of an aging portable room divider and new tile flooring in the Center’s Community Room.	2019
<i>Extension of South Shore West Trail:</i> This trail currently runs from Water Street west to the end of the Barge Canal docks. Extending this trail further to the west would provide increased recreational opportunity for our residents.	2020
<i>Paving of South Shore East Recreational Trail Parking Lot:</i> Paving of the trailhead parking lot to the SSET recreational trail.	2022
<i>Playground Equipment for Community Park:</i> Installation of a timber playground apparatus.	2023
<i>South Shore West Trail Restroom:</i> Construction of a public restroom facility on the South Shore West Pedestrian Trail	2024
