

## 2019 Hanging Flower Baskets Order Form

As part of the ongoing efforts to beautify the Village's Central Business District of Baldwinsville the Garden Club is seeking donations for the Hanging Baskets. We hope you will again help us achieve another spectacular show of color throughout the business district.

A donation of \$50.00 will hang a basket in the Business District and various park locations. **All donations will be greatly appreciated.**

Water maintenance will again be done by the Village DPW crew. Their diligence has helped make sure that the flowers are kept at their best. For a total first class look the Garden Club members will weed and monitor the flowers.

We "thank you" for your ongoing support and hope you will again help us fund this floral display to showcase our village and your businesses.
