

Village of Baldwinsville  
 Community Development Projects  
 Consolidated Five-Year Plan  
Proposed – 2016

<u>PROJECT</u>	<u>Year of Application</u>
<i>Canton Woods Senior Center Roof Replacement:</i> The roof on the building leaks and is resulting in damage to the building interior. A new metal roof would be installed over the entire structure.	2016
<i>Mercer Park Improvements to Playground Areas:</i> Mercer Park is located on the north side of the Village (outside of eligible Block Grant Neighborhoods) but serves many residents on the south side of the our Village. Improvements in the park would include repairs and resurfacing of the basketball court and installation of new playground apparatus specifically designed for handicapped accessibility.	2016
<i>Sidewalk Connections on Mildred Avenue, Hotaling Street and Other Streets that have Discontinuous Sidewalks</i>	2017
<i>Cross-Walk Sign at Various Intersections:</i> A number of popular pedestrian crossing areas throughout the Village are in need of improved visual markers. These signs would improve pedestrian safety.	2018
<i>Extension of South Shore West Trail</i>	2019
<i>Landscaping and Benches for South Shore West Trail</i>	2020
