*Canton Woods Senior Center* was founded over 40 years ago, and grew out of the cooperation of several community groups working together. Their combined efforts and vision created Canton Woods Senior Center. This unique and dynamic senior center's continued success depends upon several entities including the three local municipalities, Onondaga County Adult and Long Term Care Services, Canton Woods Senior Center Board, Canton Woods Senior Activity Group, as well as support from generous individuals, service groups, and businesses.

*Canton Woods* is committed to its mission of helping seniors to remain active members of the community. This mission has historically been accomplished with support from the Village of Baldwinsville, the Towns of Lysander and Van Buren, cooperating through a three way municipal agreement which has been in place for several decades. Please take a moment to thank your town supervisors, the Mayor and municipal boards. Please remind them that the senior center is very important to the quality of your daily life, and let them know that you, a family member, friend or neighbor utilize and benefit from the center. Canton Woods appreciates and depends upon the municipalities continued support and cooperation.
