Assistant Director:

Happy Summer! I hope that you have come back to Canton Woods to participate in your favorite activities. If not, please come back this month. Our folks are having lots of fun playing games and participating in various group activities. If there is a different game or program that you don't see on our calendar that we can give a try, please talk to me. Remember if you have a few folks that want to try something there is a better chance that it will become a regular monthly program. We are always looking for Pinochle & Pitch players! Stay safe and have fun.

Neighborhood Advisor / Outreach

Worker the Farmers Market Coupons were distributed on July 23rd. I hope everyone who wanted them was able to get them. Call the center if interested in the coupons, we may have a few left.

We have had some interesting weather so far this summer, but August is traditionally a hot month, so I just want to remind you to stay well hydrated and if you don't have air conditioning you are always welcome to come here to Canton Woods to cool down.

August is Immunization Awareness Month, so it is a good time to check with your Primary Care physician to see if you are all caught up on all the things you need. The pneumonia and shingles shots are important for most of you, and because it only needs to be renewed every 10 years or so, the tetanus shot often gets forgotten.

If you have not gotten your COVID -19 Vaccine, please consider it.

It is also Cataract Awareness Month. If you are having trouble with your vision, even if it is not a cataract issue, think about making an appointment with your vision care specialist. *Nancy Sullivan*

National Grid Consumer

Advocate will be available by calling our Neighborhood Advisor, Nancy Sullivan. If you have questions about your National Grid account, we can seek out help for you.

B'ville Express If you were registered with B'ville Express and wish to resume rides please contact me at the center. We hope to begin transporting folks very soon. If you are interested in driving for B'ville Express, please contact me as well. Thank you. Gina **B'ville Express, Transportation Coordinator**

Crafty Corner

Every week when I walk into the storeroom that the YARN CREW has at Canton Woods, I am usually in for a surprise. People leave donations of all different types, so looking through boxes and bags makes it like it is Christmas morning for me. This past week, I went into the storeroom and there was a huge plastic bag left in the room. I opened it up, and to my amazement, inside were so many beautiful afghans that I was left speechless (for me that is unheard of, but don't worry, it didn't last long). Someone put so much work and effort into those and unfortunately, no one

at the center seems to remember who left them. Please know we are just so thankful to have these afghans. They will be making their way to various places to warm the hearts of those who need them. We also want to save out a couple to have at our Christmas craft sale either to sell or raffle off. They are so beautiful. The colors are cheerful and bright, and believe me, while showing them to the group, no one could agree on which one was the most beautiful because the next one I pulled out of the bag was just as beautiful as the one before it. If you made these and dropped them off, please contact us!! 315-638-4536.

YARN CREW meets on Tuesdays at 10:00am.

If you would like to be a remote member of the YARN CREW, please contact the center. We will supply you with yarn and supplies, you can use your own pattern, or we can give you one.

STAY TUNED FOR INFORMATION CONCERNING OUR FUND-RAISING CRAFT SALE CHANGES ARE IN THE AIR....

Book Club News

While Justice Sleeps by Stacy Abrams

Unfortunately, many of us have busy lives and were unable to read the book, however a couple very diligent members read the book and were able to fill in the rest of the group. Stacy Abrams is very much in the political spotlight these days. She ran for governor of Georgia, but lost; however, she was determined to get out the minority votes in Georgia, resulting in a change of the political structure of the state. Using her

political knowledge and her experience as an author, Abrams has created a book full of intrigue, twists and turns, leaving one reader feeling the book required a map. At times there were so many plot lines that it was confusing to understand; maybe that's why it took her 12 years to write the book. She used many family members to research their areas of expertise and acknowledged them, but she most likely wrote from experience when including back room dealings and behind-the-scenes decisions. Showing the readers and solidifying the options of those who find politics to be less than forthright, the politician is a complicated animal.' A young law clerk, the protagonist of the story, is left to decipher a cryptic message a Supreme Court Justice in the throes of a stroke, gives her, before he lapses into a coma. Her journey to decipher this message and clues it leaves is the basis for the plot.

Those who read the book felt that Abrams definitely left the ending open so a sequel could follow. Those who read this book found it interesting and entertaining despite the convoluted plot and said they might read the sequel to see what happens to the characters left in limbo.

Our next meeting is August 17th at 2pm. We will be discussing The Personal Librarian by Maria Benedict and Victoria Christopher Murray. It is a fictional account centered around a woman hired to curate a library collection for the Pierpont Morgan Library built by JP Morgan. In this position, it gives Belle de Costa Green, a place in society and she becomes a powerhouse in the art

world. However, this could all come tumbling down should her biggest secret be discovered. *Edwina*

Baldwinsville Public Library COVID-19 MEMORY PROJECT

Baldwinsville Public Library is putting together a COVID-19 Memory Project and we want to hear from you! We'd like to know how you coped with the pandemic. Do you have any memories of this last year that you'd like to share? Did you work on any projects (sewing, art, writing, etc..) that you'd be willing to display at the library in October? This has been an unprecedented year and now that we're coming out of it, we want to commemorate what we've all been through. For more information or to sign up to participate, contact Canton Woods. The center will help arrange a time for you to speak with Nancy Howe or Jacquie Owens of BPL.

Canton Woods operates under a three way municipal agreement between the towns of Lysander and Van Buren, and the Village of Baldwinsville.

Bottle & Can Drive McBrides Bottle Return

Your nickels will add up to help your Center.

There are now two ways to contribute! The Canton Woods Board, Senior Activity Committee has an ongoing bottle and can collection program. Any bottles or cans placed in the bottle and can collection boxes at the center are returned for the deposit. The funds benefit you through your Senior Activity Committee.

In addition to the collection program at the center, you and your family members may return bottles and cans to McBride's Bottle and Can Return, 80 Smokey Hollow Rd. Let the clerk know you are donating your returns to Canton Woods Senior Center. They will credit the amounts to Canton Woods Senior Center account. Thank you for participating in these fundraising events.

Travel Reflections

Hi everyone! It's hard to believe August is here. This hot summer is flying by! Folks are signing up for all the upcoming trips. Fall travel will be in full force this year! It is such a great feeling to be able to be back on the road with our friends. The center has reopened with lots of fun activities.

There is still room on the Cape Cod and Lancaster trips. If you are interested in the Classical Danube or the South American Adventure trip, call me and I will send you a flyer.

Until next month, take care and God Bless.
