Pledge of Allegiance

Motion by Nate Collins to approve the Minutes from a Planning Board training session held on September 28, 2021, as written, second by Mark Jenkins.

Motion by Terry King to approve the Minutes from a Planning Board training session held on October 26, 2021, as written, second by John Tonello.

John Tonello addressed the Board this evening. He informed the Board that Onondaga County was conducting its Annual Planning Symposium on March 10, 2022, at the Marriott Syracuse Downtown. If any member is interested in attending let the Code's office know prior to February 17th. John continued to inform the Board there were online training workshops they could attend for further training.

John explained the research he has started on constructing a Comprehensive Plan for the Village of Baldwinsville in conjunction with the Town of Lysander. The Village adopting such a plan as this it would open Grants from the State and Federal level. The Village had a Strategic Development Plan done by EDR in June of 2006. This plan is still used as a guideline for projects in the Village. John has been in contact with Onondaga County and will continue to work with them in the future. John continued to explain that The Local Waterfront Revitalization Program (LWRP) is part of the Comprehensive Plan, LWRP has funds available for waterfront community development. John will continue his efforts together with a committee to develop a Comprehensive Plan for the Village.

Motion by Mr. Tonello to adjourn the meeting at 7:45 p.m. second by Ms. King

Carried 5:0

Respectfully Submitted,

Mary E. Augustus

Mary Augustus, Planning Board secretary
