NEW BUSINESS

8 River Street– Sloan-Delaney P.C. – sign

Karin Sloan-Delaney and John McFall are present to address the Board. The new sign will be centered in the blank sign panel on the railing and can be moved in the future to accommodate a 2nd tenant sign. The drawing submitted with the application shows the sign positioned all the way to the left, but it will be centered until there is a 2nd tenant. The body of the sign is light gray with a burgundy outline. The lettering is raised foam and will be black in color. The sign will not have lighting for now. The border will be raised to the same relief as the lettering.

Upon motion by B. King and second by C. Taft to approve the sign for Sloan-Delaney, P.C. located at 8 River Street, Baldwinsville, as submitted with the condition that the burgundy border will be raised to the same depth as the lettering. *Motion carried.*
